

Lions clubs fit your lifestyle

Lions Clubs International offers volunteer opportunities that fit your lifestyle. Whether you are looking to lend a helping hand or pursue a leadership role. Lions has an option for you.

A club's time commitment depends mainly on the service activities it undertakes. Most clubs meet once or twice a month to plan projects, provide community service and conduct club business.

There is a one-time entrance fee in addition to modest yearly dues. Your local club can provide you with more information.

Family opportunities

You can join a Lions club with your spouse and other adult family members living in your household and receive a dues discount. Some clubs even have a Cub Program for kids under age 12 and/or sponsor a Leo club.

Volunteering your time not only helps those in need, but also gives you a sense of pride and accomplishment that comes from deep within.

Who are Lions?

Lions are groups of service-minded individuals who are interested in improving their communities. To be a Lion is to be an active volunteer, a member of a respected international organization, a leader in the community and a friend to people in need.

The 1.4 million members that serve in over 45,000 clubs from over 200 countries make Lions Clubs International the world's largest service club organization.

Lions serve

Lions service is as diverse as our members. Lions volunteer for many kinds of projects, such as caring for the environment, feeding the hungry, aiding seniors and the disabled, and sponsoring international exchanges for young people.

Lions make a difference

Lions move to make a difference locally and globally. Lions Clubs International Foundation (LCIF), the official charitable organization of Lions Clubs International, supports Lions' compassionate works by providing grant funding for their local and global humanitarian efforts. Together, Lions and LCIF actively work to eradicate blindness, support youth, provide disaster relief and address humanitarian needs.
